OUR POLICY

We do our utmost to provide a service you can rely on and a product of which you can be proud. We only use materials which we feel are the best in the industry both in quality and in appearance.

Over the years we have had to pass down a few rules. We have tried to keep them to a minimum.

- A. **PHONE ORDERS:** We will be happy to accept your phone orders. However, we cannot be held responsible for errors on these orders. Please be advised that when an order is called in, you assume full responsibility for it.
- B. **CANCELLATIONS:** We will do everything we can to aid you in cancelling an order. However, if it has been started or sent out for production and we cannot stop it, you will be billed for it.
- C. **TYPE STYLES:** If an order does not indicate a style, a font or a case selection, the style selected will be at the discretion of the typesetter, regardless if written in all caps or not.
- D. **COLORS:** If a color is not indicated on self-inking or pre-inked stamps, black ink will be sent. Any signage orders will be sent with a black background and white lettering and silver holders if necessary.
- E. **RETURNS:** A 25% restocking charge will apply to "Special Order" merchandise. Custom orders cannot be returned.
- F. **WARRANTY:** All of our products carry a one year warranty against defects on materials and workmanship provided the proper inks have been used and product has not been abused.

We hope these few rules will not inconvenience anyone. They are set up to aid everyone so there is no confusion in our daily routine of business.

We wish to thank our many friends and customers with whom we have come to know over the years. We wish you all much success in the years to come.

OUR GREEN PROGRAM

Classic Graphic Industries is pleased to introduce our Green stamp program. No green colored stamps – just an ecologically friendly manufacturing process and products that allow our customers to Reduce, Re-use and Recycle.

At Classic Graphic we have taken many steps to ensure our own environmental friendliness. These changes have included the shipping of our products. Packaging is done using primarily recycled boxes and packing materials to virtually eliminate the environmental impact of our own packaging consumption.

AND of course, we have always encourage our customers to re-use their stamps.

DATERS - Most daters will last for many years beyond the dates on the bands. We encourage our customers to send their daters in for re-banding when the years are out of date. Besides not filling our landfills with perfectly good stamps, you will also save a few dollars over the cost of a new dater.

STAMPS - As with daters, most self-inking stamps can be re-used by replacing the rubber dies when a copy change is needed. In most cases, the frame is completely intact. We do recommend replacing the pad when a die is replaced as the old die has left an indentation in the pad.

RE-INKING - Why throw away a perfectly good stamp pad when all it needs is a little ink added to the pad? Most pads will last for many years by adding a few drops of ink.

The new MaxLight Daters, PSI stamps and Slim stamps are helping the environment by creating three to five times more impressions than a traditional self-inking stamp. Production of these stamps require NO liquid or solid chemicals going down the drains, NO pollutants being added to the atmosphere, and 95% less overall excess waste of materials. These stamps are made from 50% post consumer recycled plastics. No pads to change. Just re-ink indefinitely and you're ready for thousands more impressions.

As we continue, we will do our best to be kinder to our environment and implement more environmentally friendly products to our product lines, leaving a cleaner world for our future generations.

Reduce - Waste, air and water pollution

Re-Use - Re-ink, replace dies and bands, re-use frames

Recycle - PSI stamps are made from 50% post consumer recycled products

How To Order Stamps

1. Select style of stamp from below.
2. Select typestyle for stamp from following pages. If style not selected, it will be at the discretion of our typesetters.
3. When self-inking or pre-inked, specify size & color.
4. Select justification from below.

SELECT MOUNT

**MaxLight XL2

SAMPLE LAYOUTS

The following pages contain samples of rubber, self-inking and pre-inked stamps which are widely used and will give you a better idea of what your stamp will look like. Order by selecting the style you like best (example: Style "A") and your stamp will be set up similar to the Style "A" shown. If any of these do not fit your needs, you can make your selection from our SAMPLE FONTS AVAILABLE pages. If you like a particular style (ie: Style "A") but would prefer all caps, just indicate this in the special instructions on your order form. **THESE STYLES ARE FOR ALL STAMPS MANUFACTURED BY MOHAWK STAMP CO.** STAMP SIZES MAY BE MADE LARGER, SMALLER OR CONDENSED TO FIT INTO PARTICULAR FRAME SIZES OR DIMENSIONS.

TRADITIONAL SELF-INKING STAMPS

MaxStamp Self-Inking stamps are perfect for many applications. Having a built-in pad means not having to deal with messy stamp pads and dirty stamps. **MaxStamp** gives you thousands of high quality impressions before having to re-ink the pad. The new, ergonomical design boasts oscillations that are extremely smooth and features a "soft grip" black finish handle. Easy snap-in and snap-out replacement pads available. Can be re-inked with Maxum or Ideal rubber stamp pad ink.
Re-inking instructions on next page.

PRE-INK STAMPS

MaxLight XL2 is the ultimate in pre-inked stamps. MaxLight stamps provide unsurpassed impression quality. No ink pad is needed - the ink is already in the stamp! Create 25 to 50 thousand impressions. Remove the handles to add a few drops of ink and create thousands more impressions. Comes with a dust cover which allows stamp to stay clean when not in use. If surface gets dirty, place cellophane tape directly on the stamp surface and remove. The tape will remove loose particles and enable the stamp to make better impressions. MaxLight stamps are so durable, they come with a lifetime warranty! All sizes compare to X-Stamper brand stamps. COLORS AVAILABLE: Black, Red, Blue, Green, Purple, Burgundy, Brown, Yellow, Process Blue, Fluorescent Pink, Fluorescent Red, & Fluorescent Orange.

Re-ink ONLY with MaxLight Ink or X-Stamper Ink!

MaxLight^{XL2} PRE-INK STAMPS

MaxLight Daters

MaxLight^{XL2} daters compare to X-Stamper[®] daters. When the year band expires it's only the date stamp you will ever need to replace. Just snap out the old dater and snap in the new dater into the impression frame. Frames are available in the following ink colors: Black, Red, Blue, Green, Purple, Burgundy, Brown, Yellow, Process Blue, Fluorescent Pink, Fluorescent Red and Fluorescent Orange. **Daters are only available with Black, Red or Blue dates.** One dater can be used with multiple frames by simply snapping in and out. Date height can be adjusted by turning the knob under the handle. **Re-ink ONLY with MaxLight ink or X-Stamper ink.**

**AVAILABLE IN
1 or 2 COLORS**

Re-inking Instructions:

Lift the Dater portion of the stamp out of the Die Plate. Add ink to the openings on both sides of the stamp.

**ALSO AVAILABLE
DATER ALONE AND DIE ALONG**

Z42R Dater 1-5/8" dia

Z10 Dater 1-1/4" x 1-1/2"

Z20 Dater 1-3/8" x 2-1/2"

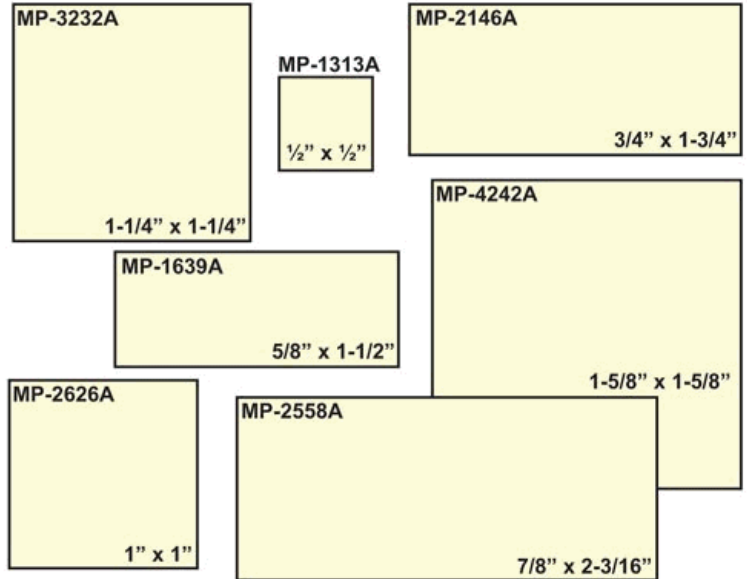

MaxLight^{XL2} PRE-INK STAMPS

POCKET STAMPS

**ALSO Available
as Self-Inking with
a built-in pad**

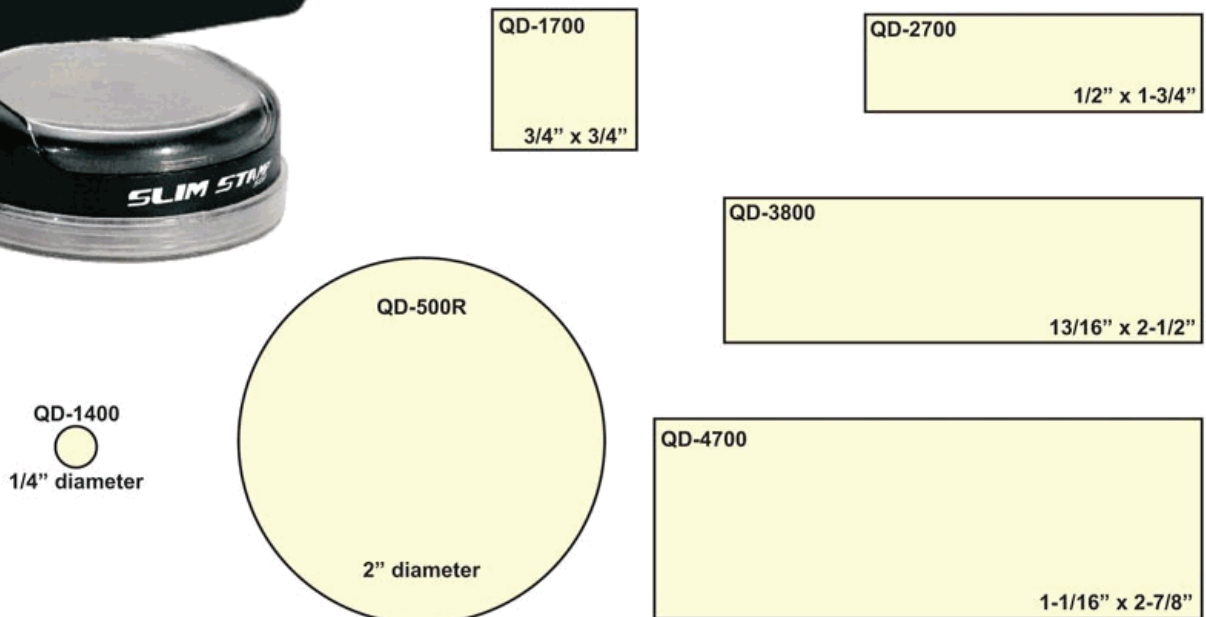

MaxLight Pocket Stamps have a retractable cover so it's impossible to lose it. These stamps can be re-inked indefinitely. Available in all MaxLight Ink colors.

QUICK DRY (QD) Pre-Inked Stamps

Quick Dry (QD) stamps are inked with a special fast-drying ink. This ink dries in 45-60 seconds on most non-porous surfaces. It also has a longer shelf life before re-inking is necessary. Each stamp comes in a plastic bag to help prolong the life of the pad. Available in Black, Red or White. *Re-ink ONLY with NP Ink!*

Royal Mark PRE-INK STAMPS

Royal Mark stamps are the economical answer to pre-inked stamps. You don't need a separate stamp pad because the ink is right in the die. Get clean, crisp impressions every time you stamp. Frames adjust for lighter or darker impressions by turning the ridged area below the handle to the + or the -. Ideal for most applications except heavy duty usage. Available in Black, Red, Blue or Green ink.

Most frames come with this round handle.

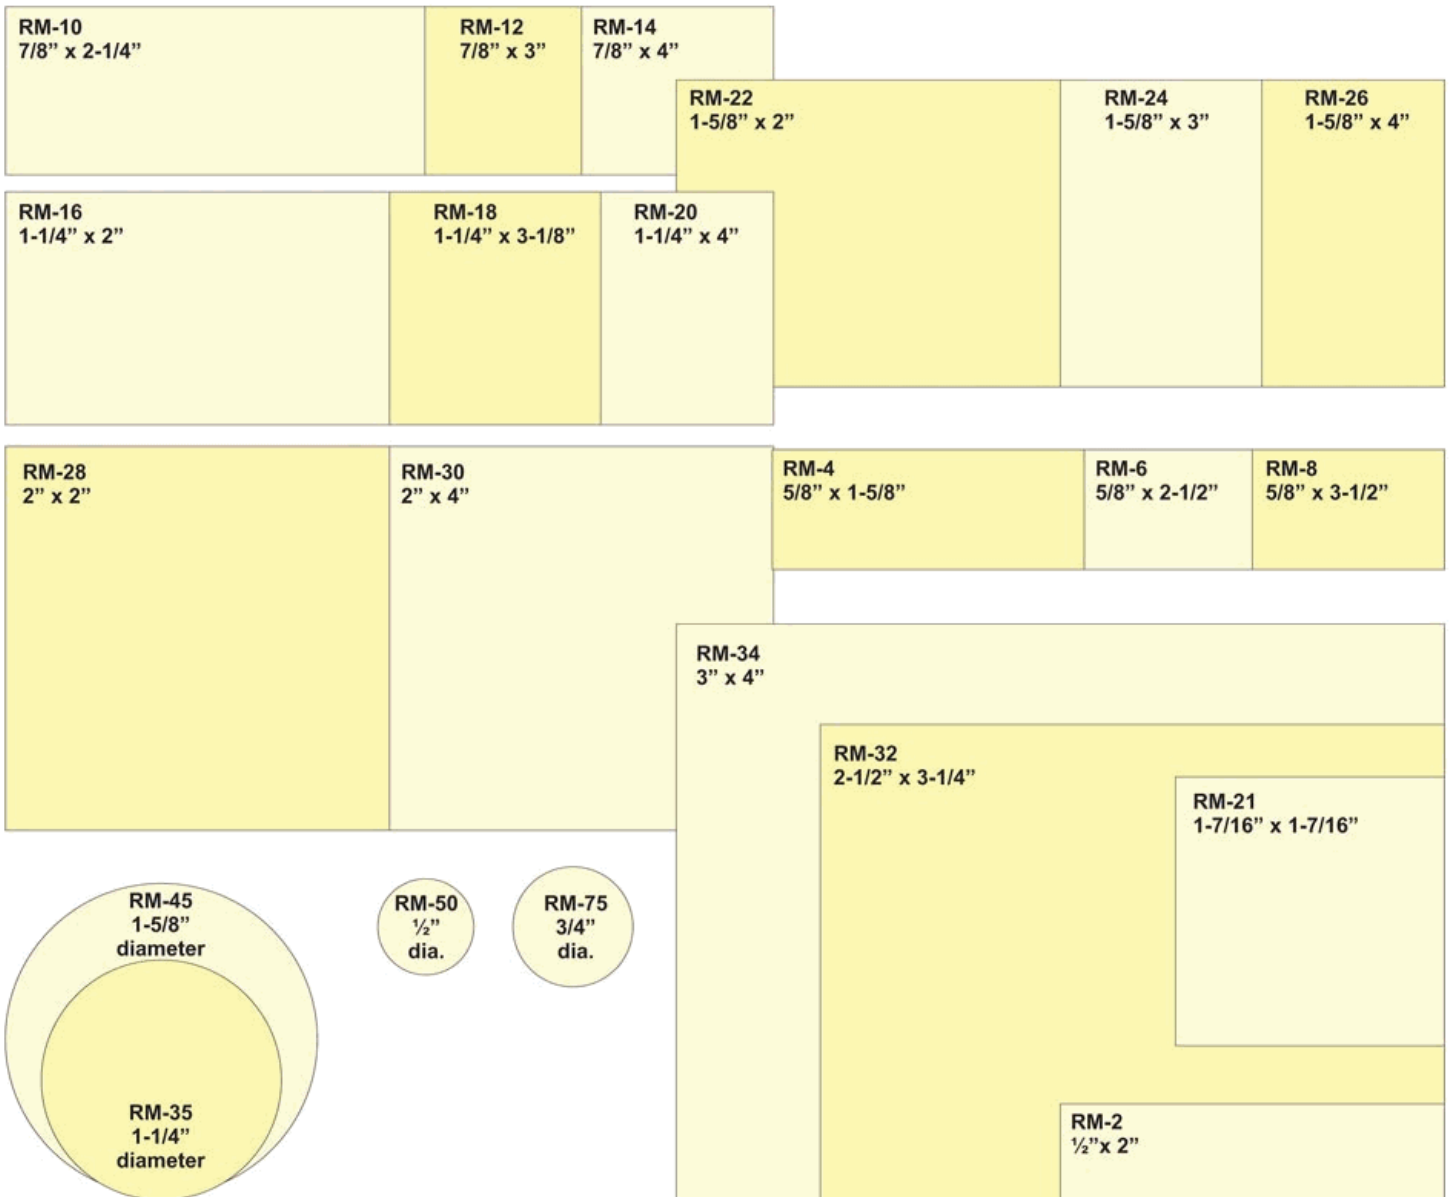

This handle available only on RM-2.

This frame available on RM-50 and RM-75.

Shown with optional adaptor which can be supplied on either end to hang from a chain.

HOLIDAY STOCK STAMPS

Spread a little holiday cheer with Holiday Stamps!

- Stamp on cards, letters, gifts, envelopes and more
- Ideal for business and personal use
- Personalize any of the stamps below with your name or company name to easily sign greeting cards
- Add any holiday logo to your address stamp for festive mailings

SELF-INKING PLAINS

PSI SELF-INKING PLAIN DIE-PLATE

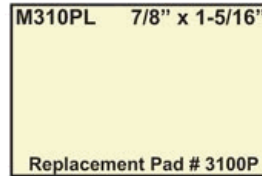

PSI Plains have the smoothest oscillations available! These units have metal frames which will withstand heavy duty use. Perfect for when a message must be stamped repeatedly. These frames are identical to the PSI Daters but without the date bands in the center.

Re-ink only with Maxum or Ideal Ink!

ERGO SAFE STAMP

Includes the only ergonomically designed stamp safety handle!

A Penn State University Scientific study concluded the Ergo Safe Stamp **reduces the harmful effects of hand stamping** by up to 76%! Over 1/2 of all work related illnesses are Ergonomic ailments better known as "Repetitive Motion Injuries" such as Carpal Tunnel Syndrome, Tenosynovitis (Synovitis), Trigger Finger, Dequervain's Syndrome, Median Nerve Damage.

Repetitive Motion Disorders are caused by small, awkward motions of the: Fingers, Wrist, Palm and Hands.

The Ergo Safe Stamp is available in the following Premier Series Self-Inking Dater and Plain models (PSI):

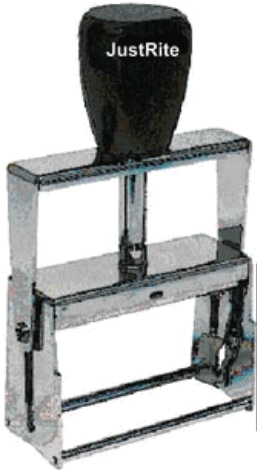

M100 M300
M600 M800

INDUSTRIAL SELF-INKING STAMPS

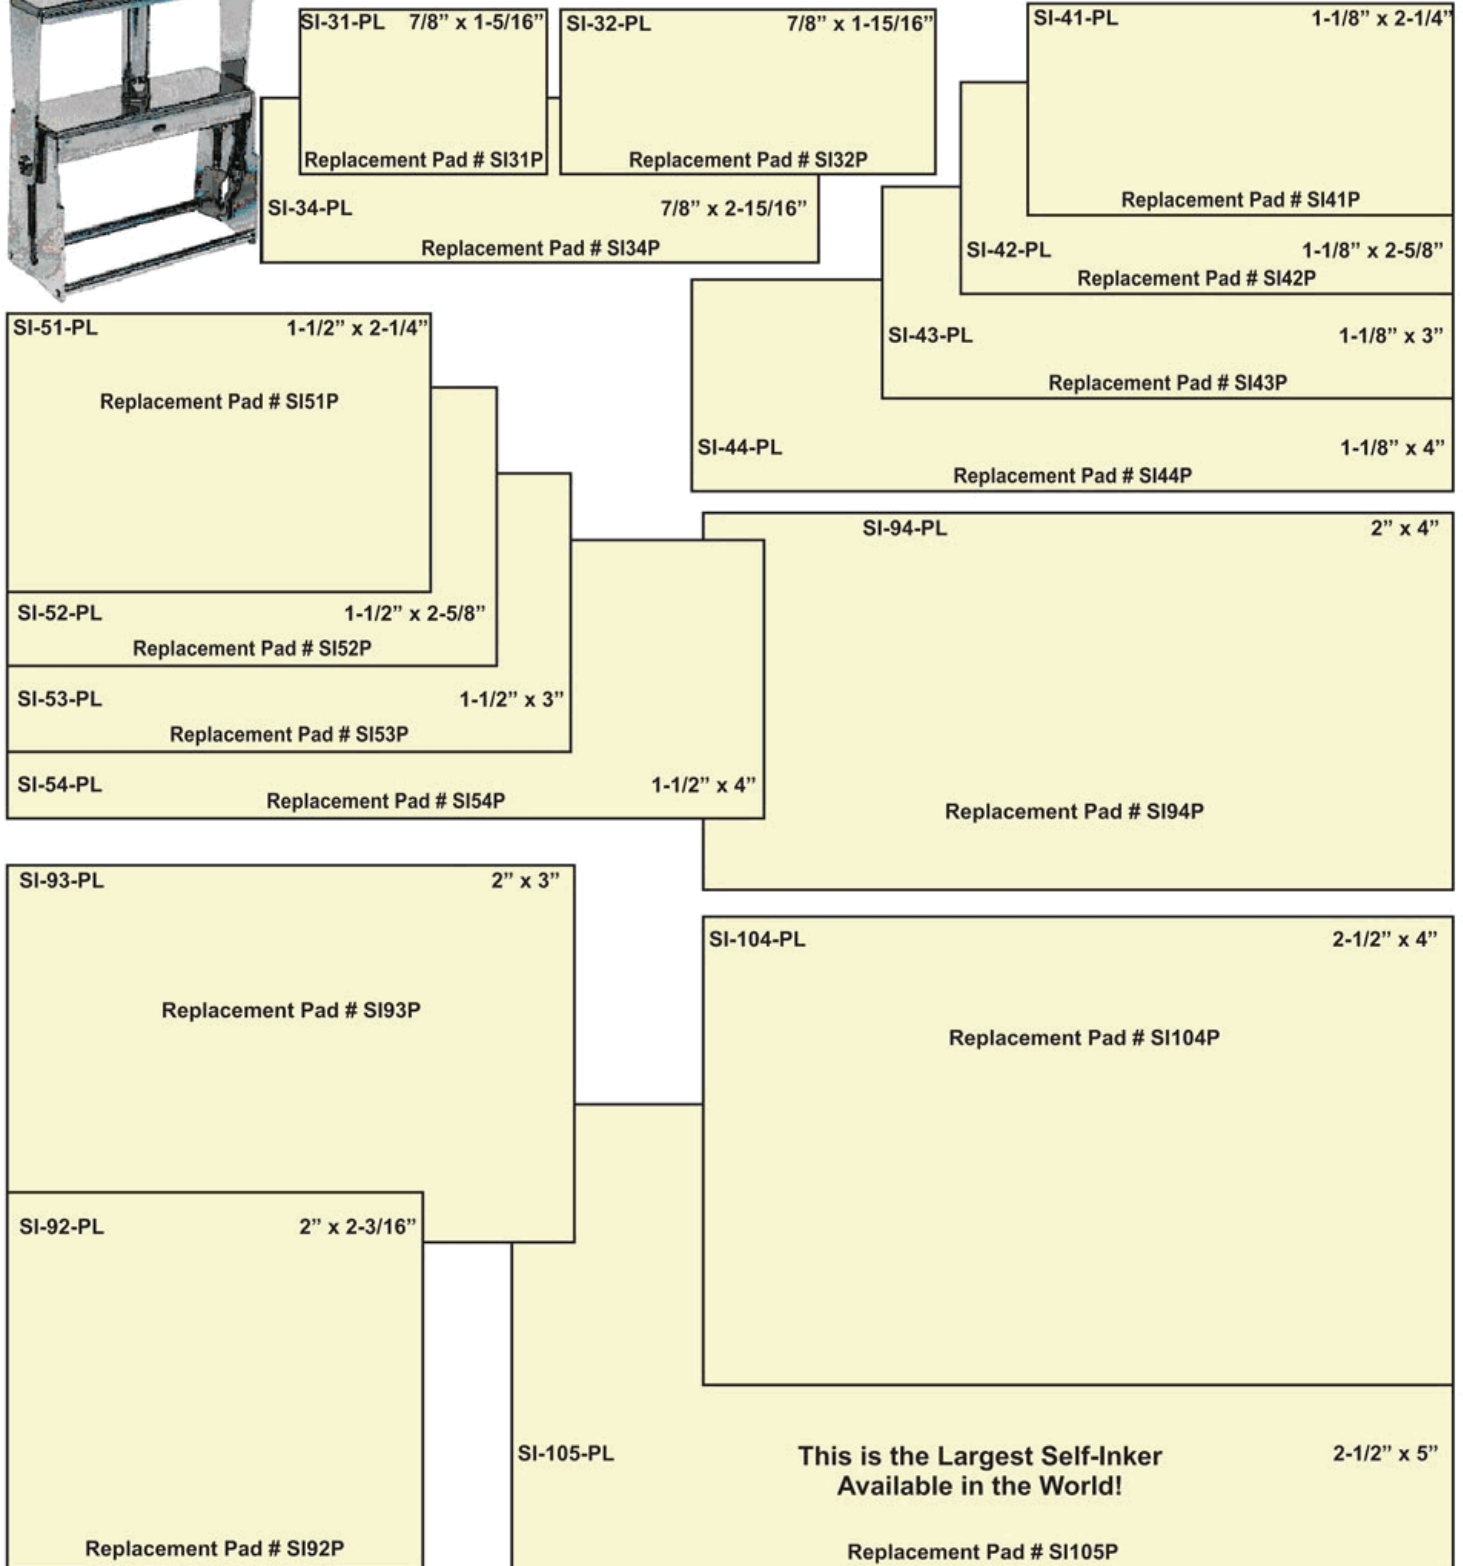

(Metal Framed)

JUSTRITE SELF-INKING INDUSTRIAL STAMPS

This metal plain die plate with a wooden handle is made to last. These units are the same sizes as the Justrite daters but without the date bands in the center.
 Available in one color only. *Re-ink only with Maxum or Ideal Brand ink.*

Shaded areas are for customized copy.

STOCK LINE DATERS

HEAVY-DUTY REGULAR AND SELF-INKING LINE DATERS

Line daters are available in the regular style up to size #6 and in the self-inking style up to size #3.

Regular style daters require the use of a separate stamp pad. These are the economical answer to a small volume of dating impressions.

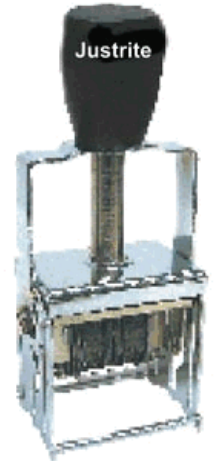

Self-Inking style is the answer for speed and convenience in handling medium to high volume of date stampings. Saves the extra step of hitting the separate stamp pad, thus half the stamp strokes.

PSI Self-Inking

SELF-INKING DATERS

PSI SELF-INKING DIE PLATE DATERS

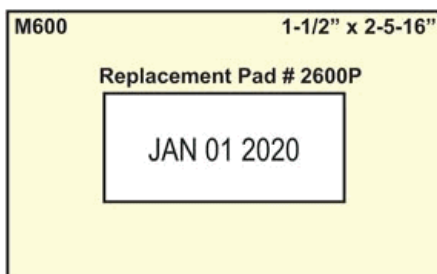

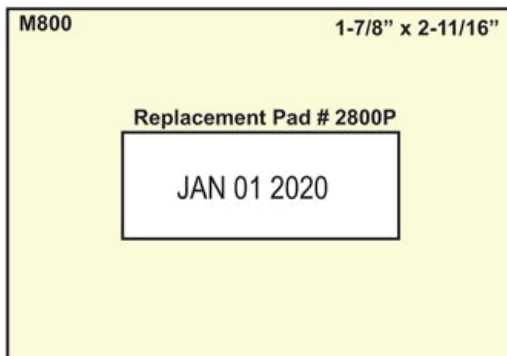

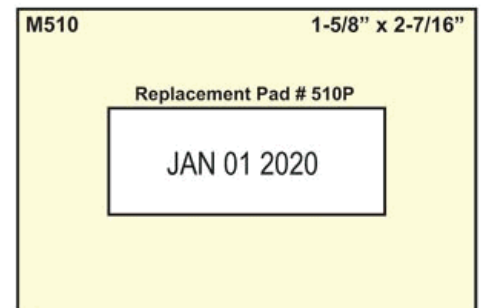

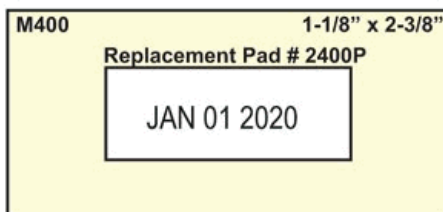

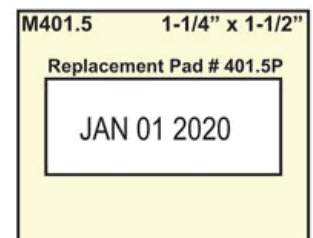

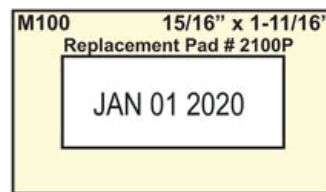

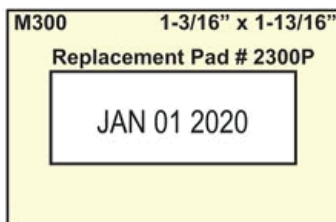

PSI Daters have the smoothest oscillations available! These daters have metal frames which will withstand heavy duty use. Perfect for when a message and date must be stamped repeatedly. The printing die is automatically re-inked by the self-contained re-inkable pad. It is always ready to make a sharp, clear impression. Band height can be adjusted by turning the screws at the underside of the stamp next to either side of the bands. Available in 1 or 2 color impressions.

Check out our **NEW** date band covers! This cover protects your fingers from getting ink on them when changing the date bands.

Re-ink *ONLY* with *Ideal* or *Maxum* waterbased stamp pad ink!

SHADED areas are for customized copy

ROCKER RUBBER STAMPS

FOR EXTRA LARGE RUBBER STAMP REQUIREMENTS

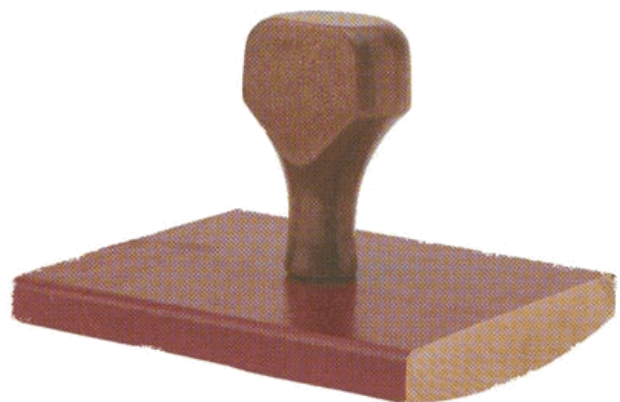

Rubber stamp rocker mounts are used for those extra large stamp requirements. Ensures a clear impression on stamps larger than 3" x 3". A rounded cushion allows only a small section of the stamp die to contact the printing surface at one time. Impressions are made by rolling or rocking the stamp.

Rocker mounts available in sizes from 3" wide to 8" wide and up to 18" length. Longer length stamps may require the use of more than one handle.

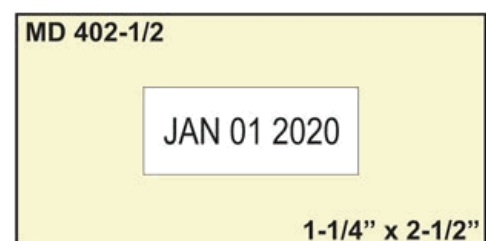

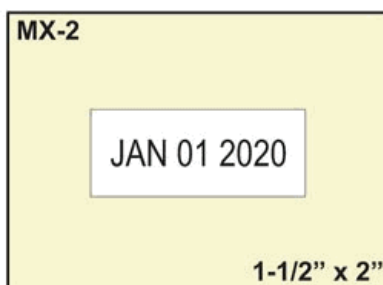

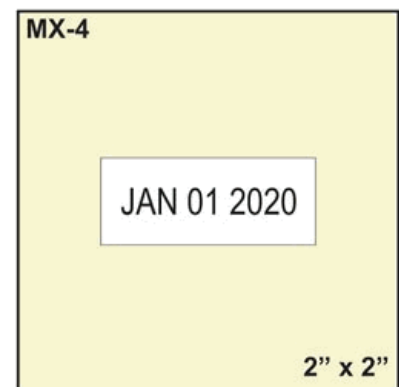

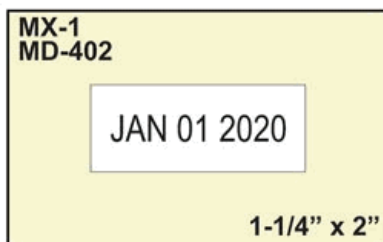

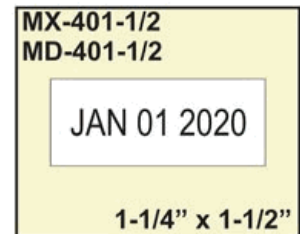

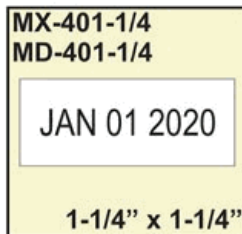

**ROCKER MOUNT
with
ALUMINUM HANDLE**
(Must be at least 5" in length
to accomodate this handle)

**ROCKER MOUNT
with
REGULAR HANDLE**

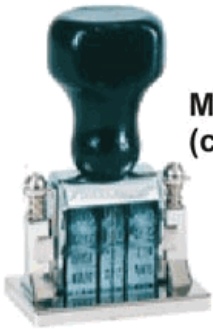

DIE PLATE DATERS

Die Plate Daters are the economical answer when a message and a date must be stamped. The **MaxStamp** has a soft handle and is easy to hold on to. The **Millennium** series dater has a wooden handle and is known for quality and durability. Both the **MaxStamp** and the **Millennium** daters are adjustable and have metal die plates. Date bands are made with extremely durable synthetic material with a twice woven backing material. *(Requires use of a stamp pad.)*

DIE PLATE DATERS

SINGLE & DOUBLE BRIDGE DATERS

Millennium
(code MD)

Single Bridge die plate daters are perfect when a message is only needed above the date (can be special assembled to print below the date). **Double Bridge** die plate daters have a split bridge. This also allows to add letter or figure bands before or after the date. *(Requires use of a stamp pad.)*

Shaded area is for copy

DIE PLATE DATERS

MAXSTAMP DIE PLATE DATER

(with Slotted Type Band Dates)

MaxStamp Die Plate Daters come with slotted date bands. Just press on the lever at the bottom of the stamp which opens the die plate, turn the wheels to the desired date and close the die plate. The bands align automatically. Date bands can be replaced with up to 6 numeric bands. (Requires use of a stamp pad.)

Shaded area is for copy

DIE PLATE DATERS

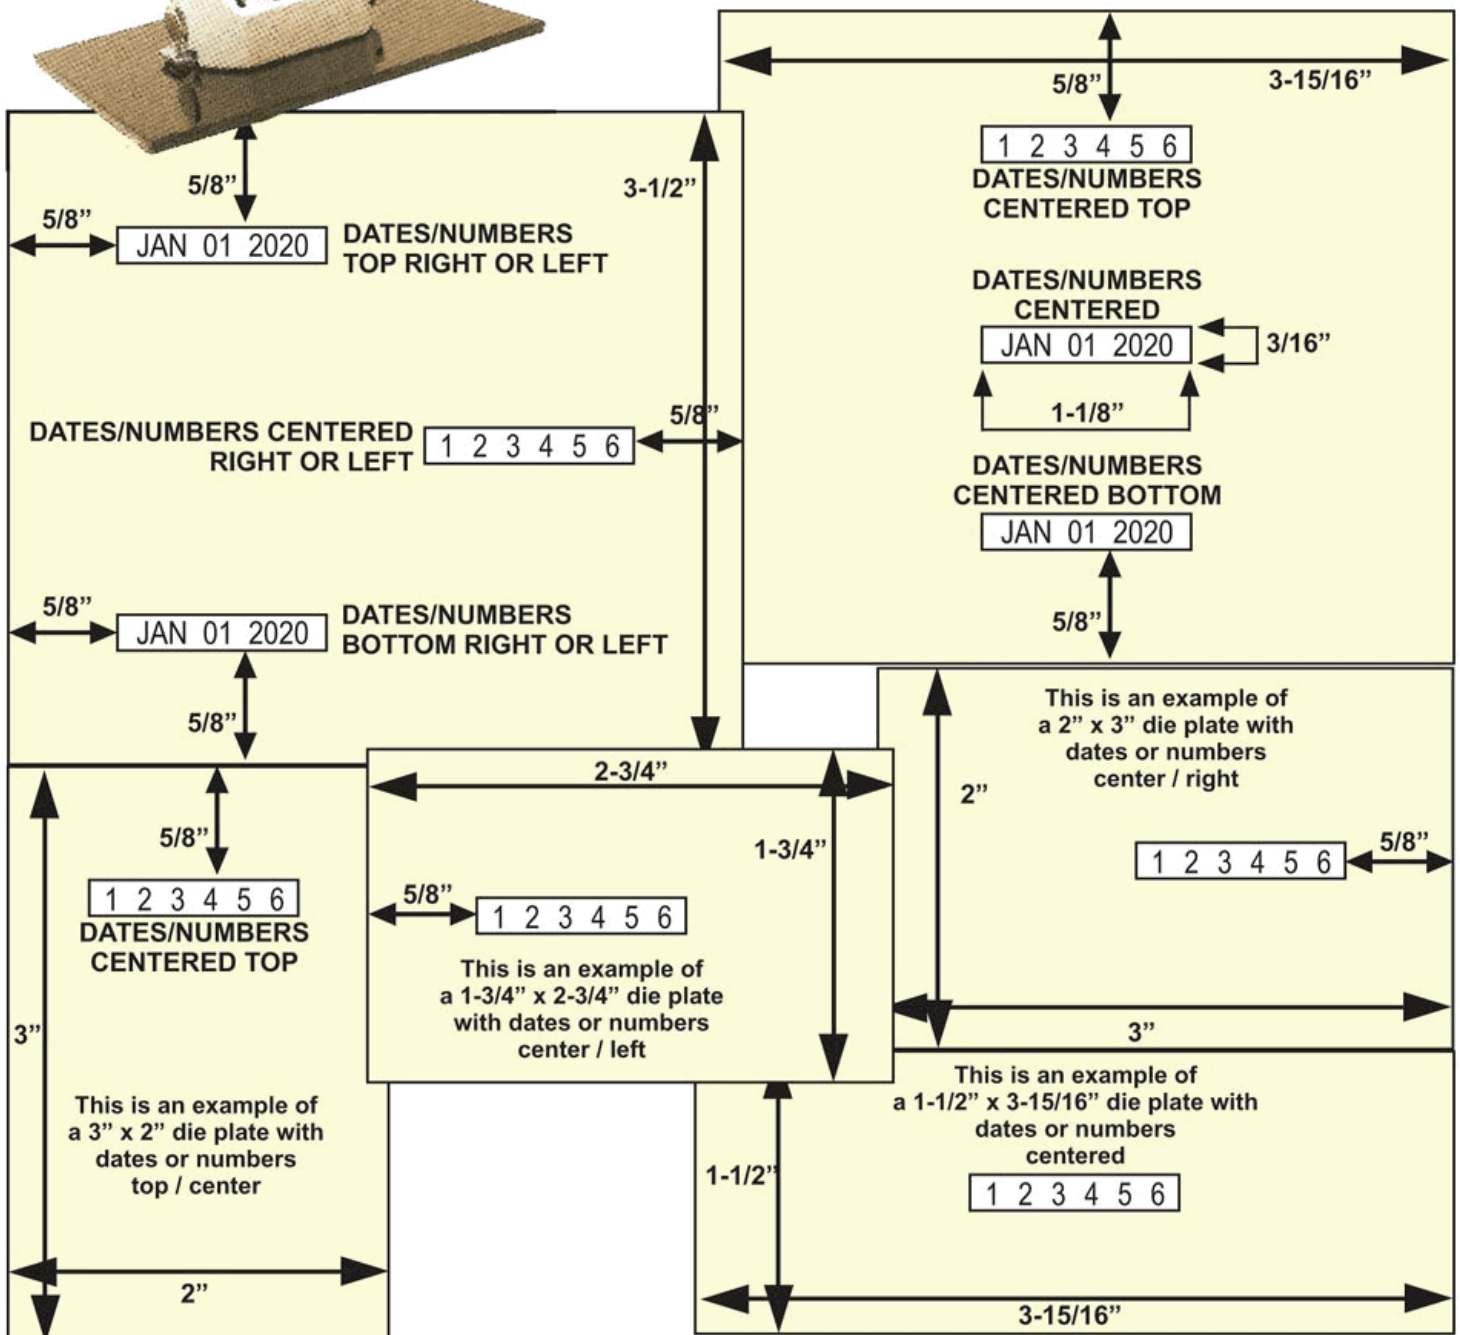

MaxStamp 4000S Daters / Numberers

with CUSTOM SIZED DIE PLATES

The new MaxStamp 4000S is now more versatile than ever. We can create a die plate that meets your requirements up to 3-1/2" x 3-15/16". The date or figure bands can be centered on the die plate, centered right, left or offset almost anywhere you require. (Requires use of a stamp pad.)

Shaded area is for copy

DIE PLATE DATERS

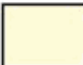

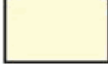

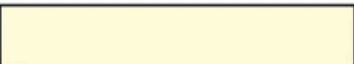

MILLENNIUM LOCAL DATERS

Millennium Local daters have heavy duty steel frames and wooden handles. The die area comes standard before the date, however the die space can be special assembled to come after the date. Available with abbreviated year bands in date sizes #0, #1 and #1-1/2. Full year bands come in #1-1/2 date size only.

(Requires use of a stamp pad.)

Shaded area is for copy

BAND STAMPS

NUMBERER SELECTION SCALE

Figures are shown actual size so you can determine maximum number of bands for a given width. Suppose you want to stamp 8 interchangeable characters in a line so that the stamped impression is approximately 3" wide. Reading down the 3" line in the scale below, you find that the No. 4 size Gothic stamp has 8 characters in that width. Therefore, you should order a BN4-8G (see next page for full explanation).

Shaded area indicates sizes and number of bands available on conventional self-inking stamps. (Bands on No. 3 size conventional self-inking stamps contain 11 characters). For self-inking units with more bands or larger size bands, refer to Direct Action self-inkers.

SIZE & STYLE	1"										2"										3"										4"										CHAR. SIZE	MAX. NO. OF BANDS

Alphabet Stamp is the common term for a stamp assembled entirely with letter bands (see styles "V" & "R" at left). Used where coded lettering or complete words are to be stamped.

The term **Cost & Selling** applies to these stamps when alphabet and numeric bands are combined. These stamps are commonly used by merchants to show a coded cost price along with a selling price.

To Order, Specify: 1) type size 2) number of bands 3) style number of bands in the order you want them

BAND STAMPS

DIRECT ACTION SELF-INKERS

Justrite Direct Action stamps are truly unique because they:

- 1) Include up to size #4 (7/16") characters for high-visibility identification
- 2) Are available with full alpha-numeric bands (size #0 & #1) for comprehensive coding
- 3) Feature all-metal construction and short-stroke action

To Order, Specify: 1) type size 2) number of bands 3) style number of bands in the order you want them
(DO NOT MIX BANDS WITH DIFFERING CHARACTER SIZES)

STAMP PADS

LINEN COVERED FELT STAMP PADS

- Premium quality felt pads for use with traditional rubber stamps
- Superb ink transfer provides a crisp, clear impression with every use
- Ink Colors Available: Black, Red, Blue, Green, Purple, Brown, Dry
- Other colors available upon request
- Sizes Available: Pad 00 1-12" x 2-1/2" Pad 2 2-3/4" x 6"
Pad 0 2-1/8" x 3-1/4" Pad 3 4-1/4" x 7-1/4"
Pad 1 2-5/8" x 4-1/4"

METAL CASED ACE FELT STAMP PADS

- Metal covers with wooden based felt pads
- Metal cased pads can be used with specialty inks not suitable for plastic pads
- Ink Colors Available: Black, Red, Blue, Green, Purple, Brown, Dry
- Other colors available upon request
- Sizes Available: Ace 7 5" x 7" Ace 10 6" x 8"
Ace 8 5" x 9" Ace 12 6" x 12"
Ace 2 2-1/8" x 3"

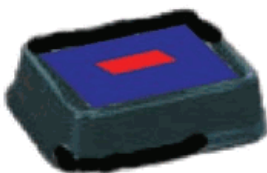

STONE STAMP PADS

- Used with acid etching inks only
- Creates high quality, non-smear impressions from the constant flow of ink from the porous stone
- If re-inking is required, simply flip the stone and the surface automatically re-inks
- Pads are shipped dry
- Not recommended for use with opaque or colored inks
- Sizes Available: SSP 1 1-1/4" diameter, SSP 2 1-3/4" diameter
SSP 3 2-1/2" x 4"

INKLESS THUMB AND FINGERPRINT PADS

- The compact print pad contains a special inking solution that easily wipes away clean from the skin with a dry or a moist towelette
- Available in Black Ink Only
- Pad sizes Available: FPP1.5 1-1/2 diameter FPP2 2" diameter
FPP3 1-3/4" x 2-1/4"

PAD DISHES FOR DATERS

Replacement Stamp Pad Dishes for the following size daters:
401-1/4, 401-1/2, DBD 1-1/4, MX No. 1, MX No. 2, MX No. 4,
4001, 4002, 4004, 4007, 4009
Available as stock item in Blue with Red date or Dry.

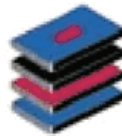

REPLACEMENT PADS

We have most brands of replacement pads for your self-inking stamps.
(see price list for sizes)

MaxStamp

Maxum

IDEAL

MARKING INKS

RUBBER STAMP INK

MAXUM / IDEAL INK

Water based rubber stamp pad ink used with traditional rubber stamps, self-inking plastic stamps and metal framed daters.

Available in 6cc, 1/2 oz, 2 oz, Pint, Quart and Gallon

Colors available: Black, Red, Blue, Green, Brown, Purple, Orange, and Pink

Code Id6cc, Id2oz, IDPt, IDQt, IDGal

JUSTRITE #532 SURE PRINT INDELIBLE FABRIC INK

Permanent opaque ink. Terrific for laundry marking, wood marking and on many porous surfaces. Tends to dry slower on non-porous surfaces. Remains moist in stamp pad. Must use real rubber dies. Available in 2 oz (Black only), 4 oz, Pint, Quart and Gallon
Colors available: Black, Red, Blue and White

Code INDEL2oz, INDEL4oz, INDELpt, INDELQt, INDELGal

CHILD SAFE WASHABLE INK

This ink is safe for children and washable from hands and clothes. It is nonhazardous and FDA approved.

Available in 2 oz. only

Colors available: Black, Red, Blue, Green, Purple, Yellow and Hot Pink

Code CSW

JUSTRITE KLING INK

Waterproof, heavy-bodied ink that is transparent in color. Best for use on light-colored surfaces. 10-30 second drying time. Use with metal pad only. Non-porous surfaces only.

Use Justrite Thinner & Cleaner to soften "caking" ink on pad.

Available in 2 oz, Pint, Quart and Gallon
Colors available: Black, Red, and Blue

Code KLING2oz, KLINGPt, KLINGQt, KLINGGal

MAXLIGHT INK

MaxLight ink is an oil-based ink. It can be used to re-ink MaxLight stamps and other flash brand stamps, including X-Stamper pre-inked stamps.

Available in 1/4 oz, 2 oz, Quart & Gallon
Colors available: Black, Red, Blue, Green, Purple, Yellow, Burgundy, Brown, Process Blue, Fluorescent Pink, Fluorescent Red and Fluorescent Orange.

Code ML1/4, ML2oz, MLQt, MLGal

JUSTRITE SLINK INK

Heavy-bodied industrial ink that is opaque in color. Withstands exposure to the elements. 5 - 30 second drying time. Use with metal pad only. Can be used on all surfaces.

Use Justrite Thinner & Cleaner to soften "caking" ink on pad.

Colors may be mixed to create a wider range of shades and hues.

Available in 2 oz, Pint, Quart and Gallon
Colors available: Black, Red, White and Yellow

Code SLINK2oz, SLINKPt, SLINKQt, SLINKGal

JUSTRITE NUMBERING MACHINE INK

ONLY for use with metal wheel automatic numbering and dating machines on porous surfaces.

DO NOT USE WITH ANY RUBBER OR POLYMER DIES AS IT WILL DESTROY THESE PRODUCTS.

Available in 2 oz, Pints or Quarts

Colors Available: Red and Black

Code NM2oz, NMpt, NMQt

MARKING INKS

JUSTRITE FROZEN FOOD INK

For marking packages and food items that are marked when frozen or in low temperatures. Best for light-colored surfaces. For glossy paper and waxed materials. Must be used with rubber stamp and pad. Available in 4 oz, 8 oz and Pint. Colors available: Purple and Red

Code FF4oz, FF8oz, FFPT

JUSTRITE PRICE MARKING GROCERY INK

For use in Automatic Price Markers, Regular Rubber Stamps and Self-Inking Stamps. May be removed from non-porous surfaces with Justrite/Pro-Color Reconditioner/Thinner/Cleaner. Must be used with real rubber dies. Dries in 10 - 60 seconds. Available in 4 oz, 8 oz, Pint, Quart, Gallon. Colors available: Black, Red, Purple, Blue

Code PMG4oz, PMG8oz, PMGPt, PMGQt, PMGGal

JUSTRITE/PROCOLOR RECONDITIONER/THINNER/CLEANER

Use to thin heavier-bodied inks or to clean or reduce caking on pads using opaque inks. Also to remove Grocery ink markings from non-porous surfaces. Available in 4 oz, Pint, Quart and Gallon

Code THIN4oz, THINPt, THINQt, THINGal

INVISIBLE / ULTRAVIOLET INK

Used on porous surfaces and is totally invisible until held under a black/ultraviolet lamp. Available in 2 oz, Pint and Quart

Code INV2oz, INVPt, INVQt

FOOD / MEAT MARKING INK

Used for direct marking on food. Used with a rubber stamp and felt stamp pad. FDA & USDA approved. Purple only. Available in Pint, Quart and Gallons.

Code FMPt, FMQt, FMGal

STAMP CLEANER

For use with Maxum, Ideal and other water based, non-solvent based inks to clean stamps. 2 oz Spray Mist Bottle Only.

Code CLEANER

MARKING INKS

SUPERIOR INK KITS

Our new Photo, Fabric, and All-Purpose Ink Kits fulfill a need for a comprehensive kit that will mark the surfaces most often desired by the industry.

Each kit contains (1) 2 oz. bottle of ink, (1) 2 oz. bottle of reconditioner and (1) IP-2 industrial stamp pad (3-1/4" x 4-1/4").

- **Photo Marking - Series IN2IPMK Code SPM**
Great for marking your photo sets or making permanent, fast drying impressions on any non-porous surface.
Available in Black, Red, Blue, Green and Violet.
- **Fabric Marking - Series IN2IFMK Code SFM**
Excellent for marking on fabrics. This kit yields a permanent impression that is water and fade resistant. This kit can be used to mark many porous surfaces.
Available in Black, Red, Blue and White.
- **All Purpose Permanent Marking - Series IN2IAPK Code SAPP**
Permanent, water resistant, fade resistant and fast drying, this kit provides excellent impressions on nearly any surface.
Available in Black, Red, Blue, Green, Violet, Yellow and White.

AERO MARK II

Quick Drying Inks and Pads

Take the guesswork out of ink recommendations. Marks various non-absorbent surfaces: Metal, Foil, Electronic Parts, Mylar, Kromekote Paper, etc. Ink has U.S.D.A. approval. Meets TT-I-1795A Type 1, AA-S08 Type 1.

- Dries in 10 to 15 seconds.
- Stays moist in pad for months in the packaging.
- Reversible Pad. When side in use begins to dry out, the pad is simply reversed and the second side is ready when you need it.
- Reactivator is used as a cleaner and thinner for Mark II inks. It extends the use of the pads by reactivating the ink. Used to clean built-up ink residue on rubber stamp dies.
- Kits Include: (1) pre-inked pad 2-1/2" x 4", (1) 2 oz. bottle Mark II stamp pad ink for re-inking, and (1) 2 oz. bottle Mark II reactivator.
- Available in Black, Blue, Brown, Green, Orange, Purple, Red, Silver, White and Yellow.
- Individual pads available either pre-inked or dry.

STAMP RACKS & TRAYS

Stamp racks and trays are the solution to desktop clutter by keeping your stamps clean, organized and easily accessible.

DESK RACKS

- Each rack features adjustable snap-on clips designed to hold virtually any type of handled stamp
- Individual tiers rotate to effortlessly locate your stamps
- Tiers provide additional space ideal for storing small items such as paper clips and rubber bands, providing extra value and convenience

<u>Item #</u>	<u>Model</u>	<u>Storage Capacity</u>
47501	Single Tier	10 stamps
47502	Double Tier	20 stamps
47503	Triple Tier	30 stamps
47506	Extra Clips	(set of 5)

STAMP TRAYS

- A great solution for organizing and storing self-inking stamps
- Each tray hold 3 - 5 stamps depending on the frame size
 - SI-20: Holds 5
 - SI-30: Holds 5
 - SI-35: Holds 4
 - SI-50: Holds 3
- Does not hold SI-25, SI-40 and SI-45

EMBOSSERS

DESK / POCKET SEALS and EMBOSSERS

Embossing seals have been used since ancient times to authenticate documents. Today, more than ever, it is easy to rubber stamp a document or electronically emboss a document, but *NOTHING* carries the official stamp of approval or validates a document as well as an embossing seal. Many states and countries still recognize this and the practice of embossing documents to prove they are genuine is a legal necessity used by many public agencies all over the world. Embossers are an effective fraud deterrent, especially when used in addition to a stamp.

When ordering, please indicate whether you want the die to emboss from the top, bottom, left or right side of the page. All Pocket seals include a vinyl carrying case.

STANDARD DESK
Code IDD

STANDARD POCKET
Code IDP

(pocket shown
with case)

- Pocket models are perfect for carrying with you and storing in small spaces.
- Available with round or rectangular dies
- Pocket models include a vinyl carrying case
- Available in the following sizes:
 - 1-5/8" diameter
 - 1-3/4" diameter
 - 2" diameter
 - 1" x 2" rectangular
- Dies are interchangeable with Desk or Pocket frames
- Reach Lengths are as follows:
 - 1-5/8" reach is 2-3/8"
 - 1-3/4" reach is 3-1/2"
 - 2" reach is 2-5/8"
 - 1" x 2" reach is 2"

Code LRD

LONG REACH DESK

SEAL INKER

Used to make seal impressions suitable for photocopying or faxing. Just stamp on top of embosser impression.

**GENUINE
CAST IRON
DESK SEAL**

Code IDCAST

Our NEW Cast Iron Desk embosser is a heavy-duty, durable unit for high usage embossing. The 8-pound unit features a cast handle that allows increased pressure and is less prone to handle malfunctions on heavier stocks than regular steel embossers. The single post die assures a more even pressure than roller type frames.

Available in 2" diameter only.

CHARACTER SIZES

To help figure out the overall size of a custom sign, remember to allow the same amount of space for each letter from left to right as well as the height of the letter. Allow one letter space at the right and left end of the longest line. Allow for a border at the top and bottom of the sign. If your sign has multiple lines, allow space between lines. A safe formula to use is one half the height of letters between lines.

Plastic engraved Luggage Tags are available in Solid Brass and your choice of plastic colors. Available in 1-1/2"x3". Leather strap can be adjusted to fit almost any kind of luggage or case.

RIBtype

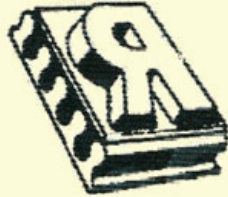

RIBtype interlocking ribbed-rubber type provides the ultimate in printing flexibility. It prints date codes on food packaging, model number on manufactured products and bold messages on corrugated boxes. RIBtype can be used in hand stamps, conveyor-line printers and reciprocating coders. Ribs on the back of the type interlock with ribs on the marking device for fast message changes. Type assortments and date sets are economical and allow users to compose their own messages. Custom RIBtype makes the finest imprints. For unmatched quality, service and value, insist on RIBtype.

Assortments of RIBtype® characters are available in letter/figure "T" sets and in numbers-only "F" sets. The 4 standard typesets A, B, U and G are shown on previous page. Typestyle "A" is an open-face, clean-printing typestyle. Typestyle "B" is a condensed version for use when space is limited. Bold face styles include style "U" and the more condensed style "G". To order, select the desired typestyle and size from the chart. Add the prefix "T" for a letter/number set (TA10, for example). Add the prefix "F" for a figures-only set (FA10, for example).

Maxx Contact Labeler

This labeler prints giant messages on our 37x28mm label. There are no bands that print number...only a message slug that is interchangeable.

Changing Maxx message slug

1. Open front door.

2. Swing roller assembly down until it clicks into position.

3. Remove message slug from magnetic housing; replace with new slug.

4. After closing front door, push release button to pop roller back in place.

Label size 37 x 28 mm

Optional print plate allows you to personalize your labels.

Print heads for flexible product labels

Whether labels need one or two lines of print, these compact printing heads make it possible to print up to 14 characters per line.

They allow for a combination of different figures and letters, as well as special characters and currencies.

Single cast - solid, durable plastic housings

The solid, sturdy housings are surprisingly compact in construction. This not only serves to protect the internal label rolls, but also proves less fatiguing in use. Appliances are light and built ergonomically.

Integrated inker system, providing consistent printing quality.

The ink roller has been adapted specially to enable precision printing of type, even at high speeds. It provides around 40 - 50,000 impressions and can be replaced with a few simple manual adjustments.

Full service repair department for *Garvey® and Contact® Labelers.

A creative solution for simple handling

Replacing label-rolls is child's play with our *contact* feeder unit. Simple and fast.
